Electrolux – Palenzo – Elektroluks

With respect,

Electrolux is a enterprise in stage of incorporation of the ISO 9001 standard, and from year January 2008 had has incorporated the SAP system in it's work. To create a strong data base , something of that we believe is from common interest , please give us answer of the questions that are contained in the primary informatory (if they are in electronic form , you will help us in great measure) in contribution .

In our work so far , almost of all questions below already have an answer.

Already thankful ,

With best regards

Dimche Palenzo _____

General Director
