

CLEANER 3000

Floor cleaner

Ingredients:

CLEANER 3000 contains: >30% aliphatic hydrocarbons.

Performance:

Removes all kinds of dirt and traffic tracks including black rubber and heel marks. When used on coated floorings with dispersions / emulsions, the care film remains intact.

Area of application:

For wooden, parquet and stone-wood floorings, as well as for linoleum and all other solvent-resistant floors. Also for solvent-sensitive floors, provided they have been treated with a self-shine emulsion or dispersion

Application:

For mechanical or manual stripping, spread CLEANER 3000 on the floor and pick up detached residues with cleaning cloth or pad. Work in sections (max. 2m²). For maintenance cleaning using the machine spray-cleaner method, spray CLEANER 3000 thinly onto the surface by using a spray can, clean and polish with machine and pad (light brown). Work in sections (max. 5m²). Quantity used approx. 2ml/ m².

Best. Nr.: 1404752

10L
