

## iRobot Scooba® 330

Floor Washing Robot

iRobot's award-winning floor washing robot **removes up to 98%\* of common household bacteria** with the touch of a button. Ideal for washing smaller floor areas, the Scooba 330 cleans up to 250 square feet on a single battery charge. Scooba navigates throughout the room using a powerful 4-stage cleaning system to prep, wash, scrub and squeegee sealed hardwood, tile and linoleum floors. Scooba uses only clean solution (tap water, water and vinegar or deep cleaning, fresh scented Clorox Scooba Cleaning Solution) to wash floors. It even cleans beneath cabinet edges, tables, chairs and other hard-to-reach places. Includes 1 Virtual Wall to mark off-limit areas. To see how it works, click the Product Video link beneath Scooba's photograph.

### STANDARD FEATURES

#### 4-stage cleaning process:

1. Preps - sweeps and picks up dirt, sand and crumbs
2. Washes - uses only clean solution to wash floors (mops just spread around dirty water)
3. Scrubs - rotating brushes remove dirt, grime and stuck-on messes
4. Dries - squeegee lifts dirty water from floors

### ADDITIONAL FEATURES

- A fully charged Scooba Battery powers Scooba to clean 250 square feet per charge
- One full tank washes up to 250 square feet
- Autonomous cleaning pattern covers each area an average of 4 times
- Cliff Sensing technology allows Scooba to avoid stairs and ledges
- Virtual Wall keeps Scooba away from off-limits areas
- Uses clean tap water, water and vinegar solution or Clorox Scooba Cleaning Solution
- One-year manufacturer's warranty

## SPECIFICATIONS

Package Dimensions: 21 "x 17" x 5 "

Package Weight: 15.84 lbs.

\* When used as directed, laboratory testing results indicate removal of Escherichia coli and Staphylococcus aureus bacteria after two passes of the Scooba floor washing robot. Individual results may vary.

- Scooba Power Supply
- One Virtual Wall (requires 2D batteries, not included)
- One-year manufacturer's warranty
- Documentation
- Owner's Guide

**Price: \$299.99**

# iRobot Scooba® 350

Floor Washing Robot

iRobot's award-winning floor washing robot **removes up to 98%\* of common household bacteria** with the touch of a button. The Scooba 350 cleans up to 500 square feet on a single battery charge. It navigates throughout each room using a powerful 4-stage cleaning system to prep, wash, scrub and squeegee sealed hardwood, tile and linoleum floors. Scooba uses only clean solution (tap water, water and vinegar or deep cleaning, fresh scented Clorox® Scooba Cleaning Solution) to wash floors. It even cleans beneath cabinet edges, tables, chairs and other hard-to-reach places. Scooba 350 includes 1 Virtual Wall to mark off-limit areas.

## STANDARD FEATURES

### 4-stage cleaning process:

1. Preps - picks up dirt, sand and crumbs
2. Washes - uses only clean solution to wash floors (mops just spread around dirty water)
3. Scrubs - powerful brush removes dirt, grime and stuck-on messes
4. Dries - squeegee lifts dirty water from floors

## ADDITIONAL FEATURES

- A fully charged Advance Power Supply (APS) Battery powers Scooba to clean 500 square feet per charge
- One full tank washes up to 250 square feet before it requires refilling
- Autonomous cleaning pattern covers each area of floor an average of 5 times
- Cliff Sensing technology allows Scooba to avoid stairs and ledges
- A Virtual Wall creates an infrared beam that Scooba will not cross (includes 1). Use it to mark off-limit areas in your home.
- Uses clean tap water, water and vinegar mixture or Clorox® Scooba Cleaning Solution
- One-year manufacturer's warranty

# iRobot Scooba® 380

Floor Washing Robot

iRobot's award-winning floor washing robot **removes up to 98%\* of common household bacteria** so floors get reliably with the touch of a button. The Scooba 380 cleans up to 850 square feet (3-4 average size rooms) on a single battery charge. It navigates throughout each room using a powerful 4-stage cleaning system to prep, wash, scrub and squeegee sealed hardwood, tile and linoleum floors. Scooba uses only clean solution (tap water, water and vinegar or deep cleaning, fresh scented Clorox<sup>®</sup> Scooba Cleaning Solution) to wash floors. It even cleans beneath cabinet edges, tables, chairs and other hard-to-reach places. Two Virtual Walls mark off-limit areas. Includes 2 Virtual Walls, charging base and storage mat.

## STANDARD FEATURES

### 4-stage cleaning process:

1. Preps - picks up dirt, sand and crumbs
2. Washes - uses only clean solution to wash floors (mops just spread around dirty water)
3. Scrubs - powerful brush removes dirt, grime and stuck-on messes
4. Dries - squeegee lifts dirty water from floors

## ADDITIONAL FEATURES

- Ideal for homes with larger hard floor areas. Fully charged Advance Power Supply (APS) Battery powers Scooba to clean 850 square feet per cleaning cycle
- One full tank washes up to 425 square feet before it requires refilling
- Autonomous cleaning pattern covers each area of floor an average of 5 times
- Cliff Sensing technology allows Scooba to avoid stairs and ledges
- Virtual Walls create an infrared beam that Scooba will not cross (includes 2). Use Virtual Walls to mark off-limit areas in your home
- Uses clean tap water, water and vinegar mixture or Clorox<sup>®</sup> Scooba Cleaning Solution
- One-year manufacturer's warranty
