

Paper Plates

Colourful high quality paper plates are used in the food service industry as well as in home parties and dinners.

The round paper plates are manufactured in three standard sizes: 18cm, 23cm, 27cm.

A variety of standard designs are supplied as sets with a matching 8oz cup.

All designs could be supplied in special shelf packaging (shrink pack) with labels and barcodes.

We also have stock items for office or restaurant use of white plates in bulk packaging of 500 plates.
