## About Us

Since 1993, International Greenhouse Company has offered a wide range of commercial quality horticultural products and supplies at the lowest prices for hobby, commercial and institutional growers. When you buy from the GreenhouseMEGAstore, you can be assured of our commitment to:

**Quality Products** - We are pleased to offer only the highest quality horticultural products and supplies.

**Value** - Low overhead allows us to offer the best possible pricing.

**Service** - You will be pleasantly surprised to find a real "live" person answering your call.

**Knowledge** - For many of our competitors, teaching greenhouses are nothing more than a side line in addition to hot tubs, gazebos and other outdoor living products. When you purchase a teaching greenhouse, equipment or supplies from IGC, you have partnered with *the people who know greenhouses™*.

## Payment Options

We accept **Visa, Mastercard, Discover** and **American Express**. We also accept payment through **PayPal, company checks, personal checks** and **money orders**. Sorry, no COD's.

We can provide **financing** to qualified customers and business customers on orders over \$1500.

We will accept **Purchase Orders** from government agencies and non-profit learning institutions such as Colleges, Universities and local School Districts. The order must be an official Purchase Order issued by the purchasing department.

**Gift Certificates** - Great gift idea. We can deliver by mail or email.

## Returns - 100% Guarantee

You may return new, unopened items shipped from IGC's warehouse within 30 days of delivery for a full refund.

## Table of Contents

- 3 Teaching Greenhouses**
- 17 Greenhouse Coverings**

# Teaching Greenhouses from IGC

## IGC Will Help You Plan

A lot goes into planning a school greenhouse. Choosing the site, style, size, covering, heating and cooling systems is just the beginning. Designing the greenhouse to suit your uses and class sizes requires careful thought. Obtaining approvals and funding may take patience and persistence. And when you have to watch every penny, it can all be quite a balancing act.

## We Understand Budget

We appreciate how tight school budgets can be, and work with you to get the most out of every penny. In the design phase, we will suggest ways to save money without compromising functionality.

## User-Friendly Design

A well-designed school greenhouse accommodates class sizes comfortably and makes it easy for students to see the instructor. We design our structures to fit your specific needs. We can partition your greenhouse to allow multiple uses. Two classes can meet simultaneously, or you can replicate different types of climates on each side of the greenhouse.

## Turnkey Installation

Building a greenhouse requires the coordination of many experts to prepare the site, build the structure, install the plumbing and electrical, and put in the fixtures. By hiring IGC for the complete installation, you'll actually save money. Most of our customers save at least 10% by taking advantage of our turnkey service and avoid a lot of headaches, too.

## Fixed Construction Price

Construction is always based on a fixed-price contract. You're never hit with unwelcome surprises on the final invoice. If you want to add anything along the way, we'll make sure we have your approval on cost.

## Responsive Service

From planning through the approval process and construction, we're here to support you. We'll assist you in assessing your needs depending on intended uses, number of students, class sizes, geographical location, and more. Our experience can be beneficial in guiding you through the approval process. We can even visit with your school board or other officials to discuss their concerns.

**There are three ways we can help you right away:**

**[1]** Call 1-888-281-9337 and request our free Buyer's Guide, *How to Get the Most School Greenhouse for Your Budget*. It walks you through the whole process, from planning to funding to building.

**[2]** With a few simple questions, we can help you determine which greenhouse best fits your intended uses and budget. And we can show how to cut costs in ways you might not have considered.

**[3]** Once we determine your needs, we will supply you with a quote that includes the cost of the greenhouse with or without construction.

## Request a FREE Buyer's Guide

How to choose styles, frames, coverings, heat, cooling, and much more.

## Senior Package

## Senior Teaching Package

International Greenhouse Company's Senior Teaching Package is designed for schools with large horticulture programs. This package features the same galvanized steel frame and 8mm twin-wall polycarbonate covering used in our commercial production houses. It can be easily adapted to add a head house or separate instructional area that makes it perfect for instructional use.

This greenhouse is engineered to meet 70 mph wind and 10 pound live load per the UBC Building Code. Higher load ratings and stamped engineered plans are available at extra cost. All galvanized steel frame insures maximum strength and life. Lexan twin-wall polycarbonate covering is UV resistant with a 10 year discoloration warranty.

**Order online at [greenhouseMEGastore.com](http://greenhouseMEGastore.com) or call 1-888-281-9337 to speak to a school representative**

**This structure is available in several sizes and can be equipped to meet your growing needs. A sample package price is shown. For custom quotes call 1-888-281-9337 or use the Quick Quote form in the Commercial Greenhouse section on our website.**

**FREE SHIPPING on this greenhouse - Visit [greenhouseMEGastore.com](http://greenhouseMEGastore.com) or call toll-free 1-888-281-9337**

**Starts at: \$21,500** *delivered*

- ▶▶ Complete steel frame. Width: 24' x Length: 48' Sidewall Height: 8' (other sizes available)
- ▶▶ 8mm twin wall polycarbonate covering on roof, sidewalls & endwalls
- ▶▶ (1) 6' x 6'8" double door and (1) 3' x 6'8" single door
- ▶▶ (2) galvanized steel exhaust fans with slope-wall housing, guard & shutter
- ▶▶ (3) motorized inlet shutters
- ▶▶ (1) Heating Thermostat
- ▶▶ (1) 2 Stage Cooling Stat
- ▶▶ (1 or 2) Modine gas fired unit heaters - NG or propane
- ▶▶ (2) horizontal air flow fans
- ▶▶ Assembly instructions and wiring diagram

## Available with Gothic Arch

*The standard Senior Package is shown with a Conley's Gable 7500 frame. It is also available with Conley's Gothic Arch 6500 shown here. Both feature the same rollformed steel structure with the options shown above. The price is the same, so you can order the structure that best fits the needs of your school.*

## Texan Package

## Texan Teaching Package

IGC's Texan Teaching Package is designed for schools in warmer climates with large horticulture programs. It includes a 41' x 72' frame with galvanized, roll-formed steel frame is the highest rated for commercial greenhouses. All walls and roof are covered with corrugated polycarbonate used in our commercial production houses; however, this greenhouse can be easily adapted to add a head house or separate instructional area that makes it perfect for instructional use.

This greenhouse is engineered to meet 70 mph wind and 10 pound live load per the UBC Building Code. Higher load ratings and stamped engineered plans are available at extra cost. All galvanized steel frame insures maximum strength and life. Lexan corrugated polycarbonate covering is UV resistant with a 10 year discoloration warranty.

**Order online at [greenhouseMEGAstore.com](http://greenhouseMEGAstore.com) or call 1-888-281-9337 to speak to a school representative**

**This structure is available in several sizes and can be equipped to meet your growing needs. A sample package price is shown. For custom quotes call 1-888-281-9337 or use the Quick Quote form in the Commercial Greenhouse section on our website.**

**FREE SHIPPING on this greenhouse - Visit [greenhouseMEGAstore.com](http://greenhouseMEGAstore.com) or call toll-free 1-888-281-9337**

**Starts at: \$34,995** *delivered*

- ▶ Complete steel frame.  
Width: 41' 6" x Length: 72'  
Sidewall Height: 8'  
(other sizes available)
- ▶ Corrugated polycarbonate - white on roof and clear on sides - 10 year warranty
- ▶ (1) 6' x 6'8" double door and (1) 3' x 6'8" single door
- ▶ 5' x 35' Evaporative Cooling Wall lowers temperature 10-25 degrees
- ▶ (2) galvanized steel exhaust fans with slope-wall housing, guard & shutter
- ▶ (5) motorized inlet shutters
- ▶ (1) Growmate automated greenhouse controller with two stages of heating and three stages of cooling
- ▶ (2) Modine gas fired unit heaters - NG or propane
- ▶ (6) horizontal air flow fans
- ▶ Assembly instructions and wiring diagram

## Smaller California Package

Our 30' x 60' **California package** is designed for horticulture programs that want the same features as the Texan with a smaller structure. Besides the size the only difference is a 3' x 25' wet wall, 3 motorized inlet shutters and 4 horizontal air flow fans. *Everything else is the same.*

Model Name	Model #	Dimensions	Price
California Package	CG-TP-CAL	W 30' x L 60' x 8' Sidewall	\$25,995

## Economy Starter Package

## Economy Starter Package

The frame is galvanized steel roll-formed components. The end walls are covered with clear corrugated polycarbonate. Both sidewalls and roof are covered with a 4-Year rated, economical double-layer poly film. Many commercial greenhouses use the economical poly film on a permanent basis, but if you should choose to upgrade at a later time, the roof can easily be retro-fitted with corrugated or twinwall polycarbonate.

This greenhouse is engineered to meet 70 mph wind and 10 pound live load per the UBC Building Code. Higher load ratings and stamped engineered plans are available at extra cost. All galvanized steel frame insures maximum strength and life. Lexan twin-wall polycarbonate covering is UV resistant with a 10 year discoloration warranty.

**Order online at [greenhouseMEGAstore.com](http://greenhouseMEGAstore.com) or call 1-888-281-9337 to speak to a school representative**

**This structure is available in several sizes and can be equipped to meet your growing needs. A sample package price is shown. For custom quotes call 1-888-281-9337 or use the Quick Quote form in the Commercial Greenhouse section on our website.**

**Starts at: \$11,995** *delivered*

- ▶ Complete steel frame.  
Width: 30' x Length: 48'  
Sidewall Height: 4'
- ▶ Corrugated polycarbonate covering on the endwalls and double-layer poly film on both the roof and sidewalls
- ▶ (1) Inflator fan with mounting bracket and 3' hose
- ▶ Complete Aluminum Tube Lock fastening system for poly covering
- ▶ (1) 3' x 6'8" single door
- ▶ (2) galvanized steel exhaust fans with slope-wall housing, guard & shutter
- ▶ (3) motorized inlet shutters provide a positive shut-off when fans are not in use
- ▶ (1) heating thermostat and (1) two-stage cooling stat
- ▶ (1) Modine gas fired unit heater - NG or propane
- ▶ (2) horizontal air flow fans
- ▶ Assembly instructions and wiring diagram

## Optional Wet Wall

The Glacier-Cor PVC Cooling System is a complete evaporative cooling system with a 3' high wall and 4" pads. It works together with your greenhouse fans to lower temperatures 10-25 degrees. The sump is built-in and eliminates the need for a separate external sump tank, minimizing the amount of piping needed for the system.

Model Name	Model #	Dimensions	Price
PVC Evap Pad System	GCCP-4WD25	L 25' x H 3' w/4"pads	\$1,425

**FREE SHIPPING on this greenhouse - Visit [greenhouseMEGAstore.com](http://greenhouseMEGAstore.com) or call toll-free 1-888-281-9337**

## Northern Starter Package

## Northern Starter Package

Our Northern Starter Package features a 30' wide galvanized steel frame and hi-clarity 8mm twinwall polycarbonate covering that ensures less heat-loss in cooler climates. Standard sidewalls are 4' tall with a huge arched roof that peaks at 14' providing an open, airy feel for any size group.

This greenhouse is engineered to meet 70 mph wind and 10 pound live load per the UBC Building Code. Higher load ratings and stamped engineered plans are available at extra cost. All galvanized steel frame insures maximum strength and life. Lexan twin-wall polycarbonate covering is UV resistant with a 10 year discoloration warranty.

**Order online at [greenhouseMEGAstore.com](http://greenhouseMEGAstore.com) or call 1-888-281-9337 to speak to a school representative**

- ▶▶ Assembly instructions and wiring diagram

## Optional Shade Cloth

International Greenhouse Company stocks multiple densities and sizes of greenhouse shade cloth. Aluminet is a special knitted screen made from metalized HDPE giving the fiber durability and longevity. These properties allow it to function like a mirror during summer months as it's unique aluminized fibers reflect unwanted sunlight and heat. We also have shade cloth available in black, white, and an assortment of colors. For more information check the supplies in this catalog or visit our website.

**FREE SHIPPING on this greenhouse - Visit [greenhouseMEGastore.com](http://greenhouseMEGastore.com) or call toll-free 1-888-281-9337**

## Junior Package

## Junior Teaching Package

The Junior Package is constructed with the same commercial quality, galvanized steel frame as our other Conley's greenhouses. This 18 x 36 structure features 6mm twinwall polycarbonate covering and is spacious enough for a small to medium sized class. The perfect solution for a program needing an engineered greenhouse on a budget.

This greenhouse is engineered to meet 70 mph wind and 10 pound live load per the UBC Building Code. Higher load ratings and stamped engineered plans are available at extra cost. All galvanized steel frame insures maximum strength and life. Lexan twin-wall polycarbonate covering is UV resistant with a 10 year discoloration warranty.

**Order online at [greenhouseMEGastore.com](http://greenhouseMEGastore.com) or call 1-888-281-9337 to speak to a school representative**

## Garden Grower Accessories

### Automatic Roof Vent

Each 16" x 72" vent is automatically controlled by a piston containing a heat sensitive fluid that expands (and opens the vent) as the temperature rises.

Name	Model #	Description	Price
Auto Vent	HG-RV 1672	W 16" x L 72"	\$798

### Garden Grower Shade Cloth Kit

Custom fit for Garden Grower Greenhouses

Used for outside mounting over your Garden Grower Greenhouse. Each piece of black knitted shade cloth is 50% density, pre-sized to cover the width of the selected greenhouse from ground to ground. Each piece includes brass grommets on 2' centers around the perimeter and cleats for easy mounting.

Name	Model #	Description	Price
Shade Cloth	SC-HG50-1836	18' x 36'	\$294

**FREE SHIPPING on this greenhouse - Visit [greenhouseMEGastore.com](http://greenhouseMEGastore.com) or call toll-free 1-888-281-9337**

## Cross Country Package

## Cross Country Package

The Cross Country Package is engineered for quality and strength and is available in about 2' increments from 8x10 to 20xany length. Choose from a green or white heavy duty aluminum frame with 6mm twin-wall polycarbonate covering. It features extra high 5' 6" sidewalls for side shelving and roof bars designed for large hanging baskets.

Cross Country Greenhouses are engineered to meet 80 mph wind and 30 pound live load per the UBC Building Code. These structures are designed to meet the building code requirements in most states. If you have questions or special needs, call IGC customer service for pricing on any custom requirements.

**Order online at [greenhouseMEGAstore.com](http://greenhouseMEGAstore.com) or call 1-888-281-9337 to speak to a school representative**

**This structure is available in several sizes and can be equipped to meet your growing needs. A sample package price is shown. For custom quotes call 1-888-281-9337 or use the Quick Quote form in the Commercial Greenhouse section on our website.**

**FREE SHIPPING on this greenhouse - Visit [greenhouseMEGAstore.com](http://greenhouseMEGAstore.com) or call toll-free 1-888-281-9337**

**Starts at: \$7,790** *delivered*

- ▶ Freestanding Aluminum Frame Greenhouse with green or white baked-on enamel finish
- ▶ Width: up to 20' 6-1/4" Length: up to ANY size"
- ▶ Prefabricated, maintenance free, heavy duty aluminum structure with a lifetime limited warranty against defects in workmanship and/or materials
- ▶ 6mm polycarbonate on roof, sidewalls & endwalls
- ▶ Structural truss and purlins are included in all buildings over 14' in length
- ▶ One or more extra wide, automatic roof vents
- ▶ Premium combination glass and screen, lockable door with adjustable sliding glass panel for ventilation
- ▶ Components supplied pre-cut and drilled for very easy bolt together assembly. Installation instructions included.

## Optional Curved Eave

The Cross Country Package is also available with a curved eave for the same price. Let your IGC school representative know which style you prefer.

## Shelfmaster Package

## Shelfmaster Greenhouse

The Shelfmaster Greenhouse Package is a heavy-duty, galvanized steel greenhouse that contains built-in side and center benching brackets to hold plants and supplies. Each bay also includes four runs of hanging basket purlins. These high capacity built-in displays provide more benching area than standard block & plank with plenty of room to walk between.

The Shelfmaster Teaching Package is NOT a load-rated structure, but features a sturdy, galvanized steel frame that easily snaps together. The structure can be secured with ground stakes on turf or weighted water tubes. The built-in benches make it a convenient all-in-one package. Call IGC customer service if you have questions or for pricing on any custom requirements.

**This structure is available in larger sizes and can be equipped to meet your growing needs. For prices call 1-888-281-9337 or visit the Commercial Greenhouse section on our website where you can view fixed prices or use our online Quick Quote form.**

**Starts at: \$9,975** *delivered*

- ▶ Freestanding greenhouse with built-in benches
- ▶ Width: 21' x Length: starts at 24' with 6' increments
- ▶ Sturdy galvanized steel frame
- ▶ 8mm twin wall polycarbonate on sidewalls, and white or clear poly on sidewalls & endwalls
- ▶ Integrated display benching system
- ▶ Integrated hanging basket purlins
- ▶ Slide-side ventilation along both sidewalls

## Retail-Mart Package

### Shelfmaster with 10 lb load rating!

- 2" o.d. 14 gauge galvanized steel frame
- 8mm twin wall polycarbonate covering
- Integrated display bench system
- Integrated hanging basket purlins
- Slide-side ventilation
- Choice of hold down system, ground stakes or concrete anchor bolts
- Choice of double sliding or swinging doors
- Components supplied pre-cut and drilled for easy bolt together assembly. Installation instructions included.

Model Name	Model #	Dimensions	Price
Retail-Mart Package	CG-TP-SM-212410	W 21' x L 24' x H 14' 3"	\$9,975

**FREE SHIPPING on this greenhouse - Visit [greenhouseMEGAstore.com](http://greenhouseMEGAstore.com) or call toll-free 1-888-281-9337**

## Shelfmate Package

## Shelfmate Plus Greenhouse

The Shelfmate Plus Greenhouse Package is a modular, galvanized steel/poly greenhouse that contains built-in side and center benching brackets to hold plants and supplies. Each bay also includes four runs of hanging basket purlins. It doesn't require a foundation making it the ideal seasonal structure for school programs that want to set up and tear down annually.

The Shelfmate Teaching Package is NOT a load-rated structure, but features a sturdy, galvanized steel frame that easily snaps together. The structure can be secured with ground stakes on turf or weighted water tubes. Horticultural classes can set up the Shelfmate greenhouse as needed and disassemble and store it when school's out. The built-in shelves make it a convenient all-in-one package. Call IGC customer service if you have questions or for pricing on any custom requirements.

**This structure is available in larger sizes and can be equipped to meet your growing needs. For prices call 1-888-281-9337 or visit the Commercial Greenhouse section on our website where you can view fixed prices or use our online Quick Quote form.**

**Starts at: \$4,950** *delivered*

- ▶ Modular greenhouse with built-in benches
- ▶ Width: 17' x Length: from 24'-96' in 6' increments
- ▶ Sturdy modular 1.66" o.d. 16 gauge galvanized steel frame snaps together easily
- ▶ Clear or white 6 mil. poly on roof, endwalls with polycarbonate sidewalls
- ▶ Integrated display benching system and integrated hanging basket purlins
- ▶ Slide-side vents along sidewalls, double sliding end doors
- ▶ Choice of hold down ground stakes or weighted water tubes

## Modular Assembly

**Easy-to-build snap together construction!**

The SNAP2000™ connector system is designed to simplify set up time making the Shelfmate one of the easiest, most versatile seasonal structures we offer.

Engineered for simplified setup, easy future expansion, and superior strength, the Shelfmate is a complete package to quickly get you started. The slide-side vents provide a quick and easy way to cool your greenhouse and the sliding end doors provide a wide opening for foot traffic, wheelbarrows, and additional ventilation. Built-in shelves make it ready-to-grow.

**FREE SHIPPING on this greenhouse - Visit [greenhouseMEGAstore.com](http://greenhouseMEGAstore.com) or call toll-free 1-888-281-9337**

## Collegiate Glass Package

## Collegiate Glass Greenhouse

IGC's Glass Greenhouses feature heavy duty aluminum frames with panels of 1/8" clear tempered glass. These sturdy, long-lasting greenhouses build easily on a foundation or existing slab. Aluminum extrusions have a baked-on enamel finish to match existing architecture. The drawing shown features only one of our many models. Multiple sizes and styles are available. This is one of our most versatile structures and can be configured to almost any size.

IGC glass greenhouses are also available with a curved eave and can be made to build on a knee-wall or glass to ground. Available in bronze, green or white. All IGC Glass Greenhouses are engineered to meet 70 mph wind and 10 pound live load per the UBC Building Code. For an additional expense, your structure can be designed to meet any building code requirements for live and/or wind load. Call IGC customer service for pricing on any custom requirements.

This structure is available in several sizes and can be equipped to meet your growing needs. A sample package price is shown. For custom quotes call 1-888-281-9337 or use the Quick Quote form in the Commercial Greenhouse section on our website.

**Starts at: \$18,500** *delivered*

- ▶ Freestanding Traditional Glass Greenhouse
- ▶ Width starts at 20' 10" Length starts at 20' 10" up to 27'
- ▶ Heavy aluminum frame in white. Green, bronze, or custom color available at an extra cost.
- ▶ Standard with tempered 4mm safety glass covering
- ▶ All framing members pre-punched and pre-cut.
- ▶ Single thick 3mm tempered safety glass (double glass or 6mm polycarbonate available)
- ▶ (1) commercial grade gable end swing door comes standard with ADA approved hardware and closer
- ▶ (1) Modine Gas Heater
- ▶ (1) Thru-wall Evaporative Cooler (2) motorized outlet shutters
- ▶ (2) 12" Horiz. Air-Flow Fans
- ▶ (1) Greenhouse Controller
- ▶ Complete step-by-step video and written instructions

## Available with Curved Eave

This aluminum frame is also available with a curved-eave and can be covered with glass or polycarbonate or both.

For optional equipment and supplies - Visit [greenhouseMEGastore.com](http://greenhouseMEGastore.com) or call toll-free 1-888-281-9337

## Rion Package

## Rion Do-It-Yourself Package

The Rion greenhouse is an inexpensive solution to provide a small group with horticultural experience. Constructed of UV protected PVC profiles, high impact plastic connectors and 4mm twin wall polycarbonate panels for covering. Polycarbonate covering comes with a 10 year warranty against discoloration. The Rion Greenhouse does not require a foundation and can be staked, bolted to cement, or mounted to treated 4 x 4 timbers.

Features UV protected PVC profiles and 4mm twin wall polycarbonate panels with a 10 year discoloration warranty. Although made of PVC, the Rion greenhouse is roof tested to hold an incredible 1,100 pounds of snow! Despite this testing, please note that these greenhouses are NOT load rated structures.

**This structure can be lengthened and/or equipped to meet your growing needs. A sample package price is shown. For custom quotes call 1-888-281-9337 or use the Quick Quote form in the Commercial Greenhouse section on our website.**

**Starts at: \$3,995** *delivered*

- ▶▶ Freestanding Rion 40 Series Greenhouse
- ▶▶ Width: 8' 6" x Length: 24'
- ▶▶ The green PVC plastic frame snaps together easily with high impact plastic connectors using a small tool included. No other tools are necessary.
- ▶▶ Pre-cut 4mm twin wall polycarbonate panels
- ▶▶ (5) automatic roof vents
- ▶▶ (1) louvered side window for better air circulation
- ▶▶ (1) Hinged double door
- ▶▶ (2) portable heaters with built in thermostats
- ▶▶ Exterior shade cloth for cooling
- ▶▶ Components supplied are pre-cut and drilled for easy assembly. Installation instructions included.
- ▶▶ For future growth, the length of this structure is expandable in 4' sections with Rion's extension kit

## Optional Benches

Durable 2 tiered shelving unit offers versatility for any small greenhouse. Measuring 48" long x 21" deep, this 34" tall bench features adjustable height shelving, adjustable feet for stability on uneven ground and the ability to "invert" shelving to create a retaining edge.

Model Name	Model #	Dimensions	Price
Two-Tier English Shelf	BN-SS-TTS	L 48" x W 21" x H 34"	\$159

**For optional equipment and supplies - Visit [greenhouseMEGastore.com](http://greenhouseMEGastore.com) or call toll-free 1-888-281-9337**

## Rion Giant Package

## Rion Giant Teaching Package

The Green Giant offers all of the industry leading quality and dependability of a traditional Rion Greenhouse plus an amazing 8' 0" of headroom. The 6' 9" tall double doors will eliminate ducking to get into the greenhouse while the extra height will offer more room for hanging baskets, trees or vine-grown plants. All sizes come standard with automated roof and side louvre windows, rain gutters, solar light, base and staging tables.

Features include UV protected PVC profiles and twin wall polycarbonate covering with a 10 year discoloration warranty. The Giant is covered with 4mm panels on the roof with 6mm on the side walls. This roof also tested to hold 1,100 pounds of snow but please note that these greenhouses are NOT load rated structures.

This structure is available in several sizes and can be equipped to meet your growing needs. A sample package price is shown. For custom quotes call 1-888-281-9337 or use the Quick Quote form in the Commercial Greenhouse section on our website.

**Starts at: \$5,550** *delivered*

- ▶ Freestanding Rion Giant Series Greenhouse
- ▶ Width: 8' 6"  
Length: 16' 7"; 20' 7" or 24' 7"
- ▶ The green PVC plastic frame snaps together easily with high impact plastic connectors using a small tool included. No other tools are necessary.
- ▶ Pre-cut 4mm twin wall polycarbonate roof panels and 6mm twin wall side panels
- ▶ (3 to 5) automatic roof vents
- ▶ (3 to 5) automatic louvered side window for better air circulation
- ▶ (1) Hinged double door
- ▶ (1) portable heater with built-in thermostat
- ▶ Exterior shade cloth for cooling
- ▶ (1 to 2) Solar Light Kit(s)
- ▶ (5 to 7) 2-Tier staging tables
- ▶ (1) Portable evaporative cooler
- ▶ (1) Drip irrigation kit
- ▶ Installation instructions

## All-in-one Package

The Rion Giant comes complete with almost everything you need to start growing.

Besides automatic vents, you get exterior shade cloth to help cool your plants during hot, sunny days. Plus an evaporative cooler to keep air cool and moist.

A portable heater is included for growing when the temperature drops.

2-tier staging is included with every Rion Giant greenhouse.

For optional equipment and supplies - Visit [greenhouseMEGastore.com](http://greenhouseMEGastore.com) or call toll-free 1-888-281-9337

## Shade Structures

### Commercial Shade Structure

Our sturdy commercial shade structure will protect your valuable product from scorching and windburn while reducing water requirements. It features straight forward assembly, expandability and is built tough with 2.5" x 12 gauge, galvanized steel for years of trouble free service. Available in 10', 20' or 30' widths x 20' standard blocks, we also offer custom configurations to meet your existing layout. This a non load rated structure.

**Starts at: \$1,140** *delivered*

- ▶▶ 2-1/2" diameter x 12 ga. vertical posts with ground stakes
- ▶▶ 10' x 20' or 20' x 20' blocks
- ▶▶ 60% black knitted shade cloth - taped and grommeted  
*(Other colors and densities are available upon request)*
- ▶▶ 10" canopy ball bungee every 18"
- ▶▶ Fittings, hardware, and assembly instructions

### Retail Shade Structure

This sturdy shade structure will increase customer comfort and reduce the amount of water used and time spent keeping your live product in top-selling shape. Rugged 3" x 3" galvanized steel vertical posts with 8" x 8" base plates are combined with a strong horizontal truss system to give you one of the best-built and attractive shade structures on the market. Anchors with concrete anchor bolts (included). This is a load rated structure.

**Starts at: \$2,368** *delivered*

- ▶▶ 3" x 3" x 13' x 12 ga. vertical posts
- ▶▶ 20' x 20' blocks
- ▶▶ 60% black knitted shade cloth - taped and grommeted  
*(Other colors and densities are available upon request)*
- ▶▶ 10" canopy ball bungee every 18"
- ▶▶ Fittings, hardware, and assembly instructions

For optional equipment and supplies - Visit [greenhouseMEGastore.com](http://greenhouseMEGastore.com) or call toll-free 1-888-281-9337

## Shade Cloth

Constructed of high density polyethylene, the tough lock-stitch design of this knitted material resists rips, tears and fraying while reducing wind speed and heat build up.

### Colored Shade Cloth

Model #	Color	Density	6'	12'
SC-GR60	Green	60%	\$0.98	\$2.00
SC-SMB	Smoke Blue	75%	\$1.74	\$3.50

### Aluminet Shade Cloth

Aluminet is a special knitted screen made from metalized HDPE giving the fiber durability and longevity. These properties allow Aluminet to function like a mirror during summer months as it's unique aluminized fibers reflect unwanted sunlight and heat.

Model #	Density	7'	14'	21'	28'
SC-AL40	40%	\$1.93	\$3.86	\$5.79	\$7.72
SC-AL50	50%	\$2.08	\$4.16	\$6.23	\$8.31
SC-AL60	60%	\$2.23	\$4.45	\$6.68	\$8.90
SC-AL70	70%	\$2.45	\$4.90	\$7.35	\$9.79

\*NOTE: Prices per lineal foot

### Shade Cloth Accessories

Model #	Name	Description	Price
SC-9000	Plastic Grommets	Do-it-yourself fasteners - 50 count	\$14.00
SC-9001	Rope Cleats	Mounts to greenhouse - 10 count	\$8.00
SC-9005	Zip Ties	12" long - 100 count	\$7.00

### Ground Cover

#### Polypropylene Ground Cover

Our woven polypropylene ground cover offers unbeatable UV protection to keep weeds in the dark. Stripes every 12 inches help organize the retail yard or act as a guide for positioning plants.

Model #	Description	Price
GR-SB32-3	3' wide x 300' long bulk	\$60
GR-SB32-4	4' wide x 300' long bulk	\$80
GR-SB32-6	6' wide x 300' long bulk	\$119

# Polyethylene Greenhouse Film

## 4 Yr - 6 Mil Clear Film

### 4 Year Clear Greenhouse Film

Our Standard Greenhouse Film: 6 mil thickness for superior durability, plus excellent 91% light transmission. Four year warranty against UV degradation. Easy installation. A variety of standard sizes are available. **GF-6MC**

## 4 Yr - 6 Mil White Film

### 4 Year White Greenhouse Film

55% light transmission of this 6 mil film lowers temperatures by reflecting solar heat away before it enters the greenhouse. Use anywhere cooling is a priority, particularly over Garden Centers, Orchid Houses or Poly-covered Livestock Houses. **GF-6MW**

## Quantity Discounts Available!

- » Free Freight on orders greater than 100,000 Square Feet
- » 10% Quantity Discount and Free Freight on orders greater than 167,000 Square Feet

## Overwintering Film - 3 Mil

### Overwintering Film, 3 Mil

Although lighter, this new super strength 3-mil film has much better tear strength, stronger folds and takes greater energy to puncture than the 4-mil co-poly currently available. Plus, it's 25% less film to dispose of next spring.

**Clear - GF-3MC    White - GF-4MW**

## Overwintering Film - 5 Mil

### Overwintering Film, 5 Mil

Our 5 Mil Overwintering film is recommended over the 3 Mil when severe weather is a concern.

**Clear - GF-5MC    White - GF-5MW**

## Polyethylene film can be ordered in standard widths to any length.

Multiply the price per lineal foot below by the length desired to order.

Stock sizes are available from our warehouse. Visit [www.greenhouseMEGAstore.com](http://www.greenhouseMEGAstore.com) to see prices.

## Accessories

### Spring Lock Fastening System

Spring Lock is an economical way to secure coverings against high wind conditions. The system requires two sections. The top section is available with either a Galvanized or PVC Spring which holds the covering snug into the galvanized base section.

**Each section are sold separately.**

<b>GF-9002 GALVZ</b>	6' Galvanized Top	<b>\$1.70</b>
<b>GF-9002 PVC</b>	6' PVC Spring Top	<b>\$1.95</b>
<b>GF-9001 06</b>	6' Galvanized Base	<b>\$6.00</b>
<b>GF-9001 12</b>	12' Galvanized Base	<b>\$12.00</b>

### Poly Inflation Kit

Inflate two sheets of polyethylene for roof and/or sidewalls. Kit includes blower and mounting hardware. 115v power source.

**GF-INFL Poly Inflation Fan Kit    \$105.00**

### Inflation Fan Jumper Kit

Includes 3' of jumper hose to connect 2 layers of poly film from roof to side wall to inflate air-space in both locations.

**GF-9003 3' Jumper Hose w/connectors    \$26.00**

### Polypropylene Batten Tape

Used for attaching poly greenhouse film to wood framing with Bostitch tacker.

**GF-9007 2.75" x 100 yard roll - black    \$29.25**

### Poly Patching Tape

Heavy-duty UV protected tape repairs minor tears in polyethylene greenhouse film.

<b>GF-PPT 04</b>	4" wide x 48' long roll	<b>\$15.00</b>
<b>GF-PPT 06</b>	6" wide x 48' long roll	<b>\$19.30</b>
<b>GF-PPT 10</b>	10" wide x 24' long roll	<b>\$16.00</b>

# Polycarbonate Panels

## Corrugated Polycarbonate

### Corrugated Polycarbonate Panels

Dynaglas corrugated polycarbonate sheets are light weight, virtually unbreakable and come with a 10 year warranty against discoloration. Panels are available in either 49.6" or 73.6" standard widths.

Model #	Color	Width	Length (cost per foot)
CPC-CL 50	Clear	49.6"	\$5.44
CPC-CL 74	Clear	73.6"	\$7.90
CPC-OP 50	Opal	49.6"	\$5.89
CPC-OP 74	Opal	73.6"	\$8.59
CPC-BR 50	Bronze	49.6"	\$5.89
CPC-BR 74	Bronze	73.6"	\$8.59

### Pricing

The panels are priced by the cost per foot for length. Take the number of feet of panels you need by the price shown in the tables to get your cost.

### Crating

A \$120 charge must be added to all polycarbonate orders for the individual wood crates that are constructed to protect polycarbonate panels during motor freight shipment.

## Multi-Wall Polycarbonate

### Multi-Wall Polycarbonate Panels

Multi-Wall polycarbonate provides clarity, durability and strength. Energy efficiency is increased because the panels have an insulating air-filled space between the inner and outer wall. 8mm is the industry-standard thickness for most double layer polycarbonate products in the commercial greenhouse market, but 6mm, 10mm, and 16mm are also available.

Model #	Color	Thickness	Width	Length (cost per foot)
CPC-CL6-48	Clear	6 mm	48"	\$6.20
CPC-CL6-72	Clear	6 mm	72"	\$9.29
CPC-CL8-48	Clear	8 mm	48"	\$6.62
CPC-CL8-72	Clear	8 mm	72"	\$9.94
CPC-CL10-48	Clear	10 mm	48"	\$9.87
CPC-CL10-72	Clear	10 mm	72"	\$14.80
CPC-CL16-48	Clear	16 mm	48"	\$15.90
CPC-CL16-72	Clear	16 mm	72"	\$21
CPC-OP6-48	Opal	6 mm	48"	\$6.87
CPC-OP6-72	Opal	6 mm	72"	\$10.30
CPC-OP8-48	Opal	8 mm	48"	\$7.19
CPC-OP8-72	Opal	8 mm	72"	\$10.79
CPC-OP16-48	Opal	16 mm	48"	\$18.10
CPC-OP16-72	Opal	16 mm	72"	\$25.40
CPC-BR6-48	Bronze	6 mm	48"	\$6.87
CPC-BR6-72	Bronze	6 mm	72"	\$10.30
CPC-BR8-48	Bronze	8 mm	48"	\$7.19
CPC-BR8-72	Bronze	8 mm	72"	\$10.79
CPC-BR16-48	Bronze	16 mm	48"	\$18.10

## Solexx Panels

### Solexx Polyethylene Panels

Strong, durable, and lightweight with many useful applications. The translucent greenhouse plastic transmits 70-75% soft diffused light, encouraging lush plant growth. The strength of the greenhouse covering provides maximum wind and snow protection. The trapped air space in the insulated greenhouse covering provides optimal solar heat collection to keep your heating costs low.

Solexx high density polyethylene greenhouse panels are mildew, water, and chemical resistant and they will not yellow. A double ultraviolet treatment filters out harmful rays and extends the life of the panels.

### Panels

Model #	Density	Dimensions	Length
CPC-SL3P-429	3.5 mm	42" wide x 99" long	\$30.50
CPC-SL3P-421	3.5 mm	42" wide x 146" long	\$39.50
CPC-SL3P-499	3.5 mm	49.5" wide x 99" long	\$39.50
CPC-SL3P-491	3.5 mm	49.5" wide x 146" long	\$59
CPC-SL5P-429	5 mm	42" wide x 99" long	\$45.50
CPC-SL5P-421	5 mm	42" wide x 146" long	\$71.50
CPC-SL5P-499	5 mm	49.5" wide x 99" long	\$49.50
CPC-SL5P-491	5 mm	49.5" wide x 146" long	\$73.50

### Per Linear Foot

Model #	Density	Dimensions	Length (cost per foot)
CPC-SL3	3.5 mm	4'1" wide x Up to 1000' long	\$4.40
CPC-SL5	5 mm	4'1" wide x Up to 700' long	\$5.90

### Bulk Rolls

Model #	Density	Dimensions	Length
CPC-SL3R-4	3.5 mm	49.5" wide x 400' long	\$1,777
CPC-SL3R-6	3.5 mm	49.5" wide x 900' long	\$3,628
CPC-SL5R-3	5 mm	49.5" wide x 300' long	\$1,705
CPC-SL5R-6	5 mm	49.5" wide x 600' long	\$3,383

### Solexx Panel Accessories

Model #	Description	Price
CPC-CL4	4' H-Channel Profile for connecting Solexx	\$4.60
CPC-CL6	49" U-Profile for trimming Solexx	\$4.60

### Greenhouse Insulation

#### Tempshield Insulation

Two layers of 5/32" barrier bubble film laminated between two layers of foil. The highly reflective (97%) foil layer makes TempShield™ a perfect solution for winter-proofing the sidewalls of any greenhouse.

Model #	Description	Price
IN-TSD-75	48" wide by 75' long	\$159
IN-TSD-125	48" wide by 125' long	\$206
IN-TSD-01	48" wide - Sold Per Linear Foot	\$1.58
IN-PFT-2150	2" x 150' roll of tape for sealing	\$10

### Plant Protection Fabrics

#### Thermal Blanket, 3 oz.

White, non-woven, needle punched polypropylene material. Designed to allow rain and irrigation through to your nursery stock, while holding in precious heat. Perfect for late fall and early spring applications.

Model #	Description	Price
GR-DTB-3	3' wide x 250' long	\$54.50
GR-DTB-6	6' wide x 250' long	\$106.50
GR-DTB-12	12' wide x 250' long	\$213
GR-DTB-15	15' wide x 250' long	\$266.50

#### N-Sulate Protection Fabric

Medium weight, permeable, UV treated fabric designed to protect plants the freezing temperatures.

Model #	Description	Price
GR-NS-10	12' wide x 10' long	\$9
GR-NS-250	12' wide x 250' long	\$123
GR-NS-500	12' wide x 500' long	\$225

## Exhaust Fans and Shutters

## J&D Ventilation Package

Save money by ordering a complete ventilation package from the Greenhouse Megastore. This J&D package consists of our commercial quality exhaust fan, motorized inlet shutter(s), and damp-proof 2-stage thermostat.

- ▶▶ Commercial quality exhaust fan with exterior aluminum shutter
- ▶▶ Motorized aluminum shutters used as free-air exhaust
- ▶▶ 2-stage damp proof cooling thermostat

Model #	CFM	Description	Price
FA-VPK1212	1050	12" fan, 18" shutter, thermostat	\$258
FA-VPK1620	2000	16" fan, (2) 18" shutters, thermostat	\$285
FA-VPK1622	2000	16" fan, 24" shutter, thermostat	\$370
FA-VPK2020	4300	20" fan, (2) 24" shutters, thermostat	\$425
FA-VPK2430	6125	24" fan, (2) 30" shutters, thermostat	\$499

### J & D Shutter Fans

Each fan features heavy duty chrome plated OSHA approved guards and strong, durable aluminum shutters.

- ▶▶ Remove unwanted condensation
- ▶▶ Eliminate heat build-up inside your buildings
- ▶▶ Improve air quality

Model #	CFM	Description	Price
FA-VSF-12	1050	12" diameter - 115/230v	\$127
FA-VSF-12C	1050	12" diameter - 115v - with cord	\$134
FA-VSF-161	2000	16" diameter - 115/230v	\$138

## Autovent Opener

**Bayliss Autovent Opener**

As the air in the greenhouse heats up it also heats the powertube in the vent opener. The hotter the temperature the wider the opening.

Model #	Description	Price
GA-1007	Bayliss Autovent Opener	\$60
GA-1007T	Replacement Tube	\$28.60

## Evaporative Coolers

Free Shipping

**Evaporative System Package**

Outdoor air is cooled by Evaporative Cooler (located outside) and discharged into greenhouse. Hot air is exhausted through outlet shutter which operates automatically on pressure differential.

Model #	CFM	Description	Price
EV-PAK-20	2000	Cooler, 24" Shutter, Thermostat	\$765
EV-PAK-26	2600	Cooler, 30" Shutter, Thermostat	\$1001
EV-PAK-30	3000	Cooler, (2) 24" Shutter, Thermostat	\$1271
EV-PAK-44	4400	Cooler, (1) 20" & (1) 24" Shutter, Thermostat	\$1408

Free Shipping

**Greenhouse Evaporative Cooler**

This ultra slim model fits into places where other coolers won't. Easy to install and maintain.

- ▶▶ Twin 360° multidirectional grills
- ▶▶ 6' cord with grounded plug

Model #	Description	Price
EV-WH2902	1/8 hp., 115V, 2 speed motor	\$495

Free Shipping

**Portable Evaporative Cooler - 150**

Cools up to 150 SF by 10-15 degrees.

- ▶▶ 4 gallon reservoir
- ▶▶ Three speed motor (1/10 HP)
- ▶▶ Optional CT-1000 recommended

Model #	Price
QC8D3	\$375

Free Shipping

**Portable Evaporative Cooler - 600**

Cools up to 600 SF by 10-15 degrees.

- ▶▶ 10.5 gallon reservoir
- ▶▶ Three speed motor (1/7 HP)
- ▶▶ Optional CT-1000 recommended

Model #	Price
QC16D3	\$615

## Portable Heaters

### Super Warm 10 Kerosene Heater

The Super Warm 10 will burn with a continuous blue flame for up to 19 hours on one filling (2.5 ltr). Complete with handle and kerosene level indicator.

- ▶▶ Heats greenhouse up to 8' x 12' (108 sq.ft.)

Model #	Price
HT-PAR-692	\$129
HT-PAR-WIC-692	\$14.50

### The Big Red Heater

The Big Red Heater will burn with a continuous blue flame for up to 16 hours on one filling (4 ltr). Complete with handle and kerosene level indicator.

- ▶▶ Heats greenhouse up to 8' x 14' (150 sq.ft.)

Model #	Price
HT-PAR-591	\$149
HT-PAR-WIC-591	\$14.50

### Portable Forced Air Heater

This Portable Forced Air Heater is perfect for temporary heat in workshops, agricultural buildings, worksites, and emergencies.

- ▶▶ Power coated finish
- ▶▶ Thermocouple operated gas valve
- ▶▶ Continuous electronic ignition

Model #	BTUH	Description	Price
HT-PFA-55	30,000-50,000	115v - 300 CFM	\$215
HT-PFA-35	40,000	115v - 100 CFM	\$150
HT-PFA-85	70,000 -100,000	115v - 350 CFM	\$298
HT-PFA-125	120,000 -150,000	115v - 350 CFM	\$388

### Portable Propane Convection Heater

Don't lose your valuable plant during the next power outage! Use these handy, non-electric heaters to keep your greenhouse, workshop, agricultural building or worksite warm.

- ▶▶ Adjustable heat output
- ▶▶ Push button pilot ignitor
- ▶▶ Compact and lightweight
- ▶▶ LP Tank NOT included

Model #	BTUH	Description	Price
HT-PCH-025	15,000 - 25,000	Heats 600 Sq. Ft.	\$115
HT-PCH-080	50,000 - 80,000	Heats 1900 Sq. Ft.	\$150
HT-PCH-200	75,000 - 200,000	Heats 4700 Sq. Ft.	\$160

### Portable Electric Heater, 120 V

These small units come with high temperature plug and cord. Audible alarm sounds to indicate an over-heating situation.

- ▶▶ Power light indicator
- ▶▶ 4436/5120 BTUH
- ▶▶ Resettable thermal switch

Model #	Price
HT-2000	\$49.00

Free Shipping

### Portable Electric Heater, 208 V

Light enough to carry, yet provide heat for large areas. These heavy-duty units include protective steel intake and discharge grills.

- ▶▶ 6 foot cord
- ▶▶ Resettable thermal switch
- ▶▶ 19110/14335 BTUH

Model #	Price
HT-2001	\$153

Free Shipping

### Dyna-Glo Portable LP Heater

- ▶▶ 8000 BTUH
- ▶▶ Heats up to 250 sq. ft.
- ▶▶ Uses 1lb propane cylinder
- ▶▶ Not for elevations over 4500 feet
- ▶▶ Free standing or wall mount

Model #	Price
HT-DGPH	\$99

Free Shipping

### Algarve Quartz Electric Heater

Provides efficient radiant heat for indoor and outdoor applications.

- ▶▶ Available as 120V or 220V
- ▶▶ Less than 10¢/hr. to operate
- ▶▶ Lamp life 1100 hours

Model #	Price
HT-ALG-212B	\$320
HT-ALG-220B	\$340

Free Shipping

### Portable Propane Infrared Heater

These compact, radiant infra-red heaters are clean-burning and provide efficient, clean, high output radiant heat.

- ▶▶ Lightweight and portable
- ▶▶ Comes complete with regulator
- ▶▶ Propane cylinder not included
- ▶▶ Match light ignition

Model #	BTUH	Description	Price
HT-TTH-15	10,000 - 15,000	3 Heat Settings	\$55
HT-TTH-30	10,000 - 30,000	6 Heat Settings	\$90

## Modine Heaters

### Modine PDP Power-Vented Unit Heater

The PDP (propeller) High Efficiency II gas-fired unit heaters feature a blower-powered vent exhaust. This vent forces heater exhaust fumes outside of the heated structure.

- ▶▶ Able to vent vertically or horizontally
- ▶▶ A level hanging mechanism for easy field adjustments
- ▶▶ 100% shut-off
- ▶▶ Power exhaust can be rotated 180 degrees

Model #	BTUH	Description	Price
PDP150A-NG	120,000	115v - Natural Gas	\$889
PDP150A-LP	120,000	115v - Propane Gas	\$889
PDP175A-NG	140,000	115v - Natural Gas	\$941
PDP175A-LP	140,000	115v - Propane Gas	\$941
PDP200A-NG	160,000	115v - Natural Gas	\$995
PDP200A-LP	160,000	115v - Propane Gas	\$995
PDP250A-NG	200,000	115v - Natural Gas	\$1,205
PDP250A-LP	200,000	115v - Propane Gas	\$1,205
PDP300A-NG	240,000	115v - Natural Gas	\$1,399
PDP300A-LP	240,000	115v - Propane Gas	\$1,399
PDP350A-NG	280,000	115v - Natural Gas	\$1,650
PDP350A-LP	280,000	115v - Propane Gas	\$1,650

## Dayton Utility Heater

### Dayton Electric Utility Heater

This sturdy electric heater can provide primary or supplemental heating in greenhouses, garages, warehouses, and more.

- ▶▶ Horizontal and downflow in one unit
- ▶▶ Built-in thermostat
- ▶▶ Ceiling-mount bracket included
- ▶▶ Automatic fan delay control

Free Shipping

Model #	BTUH	Description	Price
HT-UTIL-208	6,100 - 17,100	208 V - 270 CFM - 20.9 Amp	\$249
HT-UTIL-240	8,500 - 17,100	208/240 V - 270 CFM - 20.9 Amp	\$249

### Modine Hot Dawg Unit Heater

The Hot Dawg low profile design allows it to be installed in residential or commercial applications just one inch below the ceiling.

- ▶▶ Available as natural or propane gas unit
- ▶▶ 10-year warranty on heat exchanger
- ▶▶ Quiet Operation

Model #	BTUH	Description	Price
HD30A-NG	24,000	Heats up to 250 Sq. Ft. - Natural Gas	\$450
HD30A-LP	24,000	Heats up to 250 Sq. Ft. - Propane Gas	\$450
HD45A-NG	36,000	Heats up to 350 Sq. Ft. - Natural Gas	\$495
HD45A-LP	36,000	Heats up to 350 Sq. Ft. - Propane Gas	\$495
HD60A-NG	48,000	Heats up to 550 Sq. Ft. - Natural Gas	\$525
HD60A-LP	48,000	Heats up to 550 Sq. Ft. - Propane Gas	\$525
HD75A-NG	60,000	Heats up to 750 Sq. Ft. - Natural Gas	\$548
HD75A-LP	60,000	Heats up to 750 Sq. Ft. - Propane Gas	\$548
HD100A-NG	80,000	Heats up to 1000 Sq. Ft. - Natural Gas	\$670
HD100A-LP	80,000	Heats up to 1000 Sq. Ft. - Propane Gas	\$670
HD125A-NG	100,000	Heats up to 1200 Sq. Ft. - Natural Gas	\$749
HD125A-LP	100,000	Heats up to 1200 Sq. Ft. - Propane Gas	\$749

### Modine Electric Heater

Recommended for use in greenhouses or buildings where ceilings are low and with few obstructions.

- ▶▶ Fans are accurately balanced to move air quietly
- ▶▶ Motors are totally enclosed and thermally protected
- ▶▶ Heating elements are resistant to thermal shock and vibration

Model #	BTUH	Description	Price
HER50-208	17,100	208 V - 1 Phase - 5 KW - 24.5 amps	\$554

## Greenhouse Lighting

### Fluorescent Grow Light System

This system combines a super-lightweight, adjustable aluminum fluorescent light stand with a 2-tube fluorescent fixture for an easy, convenient solution for seedlings, cuttings and low light plants.

Model #	Description	Price
GL-GTS-02	2' long system - 1950 lumens	\$64
GL-GTS-04	4' long system - 4900 lumens	\$72

Free Shipping

#### 4' Damp-proof Light Fixture

This durable 4' fluorescent light fixture is the perfect lighting solution for your greenhouse. Enclosed and gasketed damp-proof prevents the entry of dust, dirt, humidity, moisture or other corrosive elements that reduce standard fixture performance.

Model #	Description	Price
LT-1000	4' Light Fixture - 120V - 2 bulbs needed	\$155

Free Shipping

#### Solar Light Kit

An easy to install lighting solution for small greenhouses, sheds or any small building where light is needed. Our complete kit includes a weather-proof adjustable solar panel, durable fluorescent fixture with two 8 watt bulbs, wall mounting frame and over 12' of extending cord.

Model #	Description	Price
LT-SOLAR	8.5" long 5" wide Panel, 14" long Arm	\$99

#### Greenhouse Light Meter

- ▶ Identify best light level of healthy plants
- ▶ Easy to use hand-held design
- ▶ Get precise reading with two scales
- ▶ Exclusive "Zero" calibration feature
- ▶ Full two year warranty

Model #	Description	Price
GL-1024	Greenhouse Light Meter	\$29

#### Agrosun Fluorescent Lamp

This fluorescent fixture offers plug and play convenience and is perfect for starting seeds or growing flowers, herbs or houseplants all year round. Holds two fluorescent tubes and includes a pull chain on/off switch. Fixture is UL listed.

Model #	Description	Price
GL-2000F-24	24" Fixture - Holds 24" Tube	\$20
GL-2000F-48	48" Fixture - Holds 48" Tube	\$22
GL-2000-24	24" Tube - 975 Lumens	\$16
GL-2000-48	48" Tube - 2450 Lumens	\$17

#### Tek-Light Fluorescent Light

Tek-Light fixtures feature high output fluorescent lamps with an extremely high lumen per watt rating compared to standard fluorescent bulbs, making them extremely suitable for indoor cultivation purposes. Each 54 watt, 48 inch long, high output fluorescent bulb produces 5000 lumens.

Model #	Description	Price
GL-TEK-42	2 Lamp Fixture - 10,000 Lumens	\$192
GL-TEK-44	4 Lamp Fixture - 20,000 Lumens	\$270
GL-TEK-46	6 Lamp Fixture - 30,000 Lumens	\$369
GL-TEK-48	8 Lamp Fixture - 40,000 Lumens	\$429

#### Sun System X HP Sodium

- ▶▶ Remote Ballast, 120V
- ▶▶ Maximizer Reflector
- ▶▶ 5KV High Pressure Sodium Bulb
- ▶▶ 8' grounded power cord
- ▶▶ 15' detachable lamp cord
- ▶▶ Louvers for cooling
- ▶▶ 5 year warranty on ballast

Model #	Description	Price
GL-SSX-HPS-1000	1000 Watt Ballast, Reflector, Lamp Cord	\$350
GL-SSX-HPS-400	1000 Watt Ballast, Reflector, Lamp Cord	\$275

#### Sun System X Metal Halide

- ▶▶ Remote Ballast, 120V
- ▶▶ Maximizer Reflector
- ▶▶ 5KV Metal Halide Bulb
- ▶▶ 8' grounded power cord
- ▶▶ 15' detachable lamp cord
- ▶▶ Louvers for cooling
- ▶▶ 5 year warranty on ballast

Model #	Description	Price
GL-SSX-MH-1000	1000 Watt Ballast, Reflector, Lamp Cord	\$310
GL-SSX-MH-400	400 Watt Ballast, Reflector, Lamp Cord	\$250

## Fertilizer Injectors

### Dosmatic Model A12 Injector

This low flow injector is ideal for smaller greenhouses. It's very easy to use and provides both accuracy and reliability at lower flow rates.

Model #	Type	Price
FI-A12-25	2.5 %	\$365
FI-A12-5	5.0 %	\$530

### Dosmatic A12 Mobile Injector

Same features as standard A12 unit mounted on a rugged 12 gauge steel cart.

Model #	Type	Price
FI-A10M	5%	\$615

### Dosmatic Model A30 Injector

Medium flow - good for multiple small greenhouses. Easy to use providing accuracy and reliability at all flow rates.

Model #	Type	Price
FI-A30-4	.4%	\$595
FI-A30-2	2.5%	\$495
FI-A30-5	5%	\$610

### Dosmatic A30 Mobile Injector

Same features as standard A30 unit mounted on a rugged 12 gauge steel cart for added convenience.

Model #	Type	Price
FI-A30M	5%	\$785

### Dosmatic Model A45 Injector

The non-electric proportional feed Dosmatic A45 injector is simple, accurate and easy to use. Adjustable for all your chemigation needs.

Model #	Type	Price
FI-A40-4	.4%	\$830
FI-A40-2	2.5%	\$740

### Dosmatic Model A80 Injector

This high flow injector will meet the needs of most large greenhouses. Adjustable for all your chemigation needs.

Model #	Type	Price
FI-A80-2	2.5%	\$1510
FI-A80-4	.4%	\$1695

### MiniDos Injector

Perfect for smaller greenhouses or hobby growers. Provides accurate, reliable injection of fertilizer or chemicals at flow rates as low as .03 GPM

Model #	Type	Price
FI-MD	1%	\$295
FI-MD	2.5%	\$355
FI-MD	5%	\$499
FI-MD	10%	\$518

## Propagation Mats

### Seedling Propagation Mat

Increase germination and growth with these durable, easy to use mats. Provides even bottom heat at 10-20F above room temperature for an economical price.

Model #	Description	Price
PR-HMH-1	9" x 19.5" - 20 Watt	\$24
PR-HMH-2	20" x 20" - 45 Watt	\$41
PR-HMH-4	48" x 20" - 107 Watt	\$69
PR-HMT-500	Thermostat Control	\$34.50

### Commercial Propagating Mat, 120 V

Place your flats directly on this heavy-duty, commercial quality rubber mat and get even bottom heat for starting seeds and cuttings.

Model #	Description	Price
PR-HMC-22	22" x 22" - 100 Watt	\$76
PR-HMC-46	22" x 46" - 150 Watt	\$125
PR-HMC-60	22" x 60" - 200 Watt	\$142

### Propagation Mat Controller

These controllers are for use with our Commercial Propagating Mats but can also be used with other brand mats and heat cables. 40 to 100 Deg

Model #	Description	Price
PR-HMT-1	1 Mat - 120 V - 720 Watt	\$69
PR-HMT-2	2 Mat - 120 V - 1500 Watt	\$115
PR-HMT-4	4 Mat - 120 V - 1000 Watt	\$108

### Hot House Seed Starting System

Offers increased growing success by providing gentle warmth to the planting bed and by controlling humidity under the large dome. Comes with 72 cell seedling insert.

Model #	Description	Price
PR-HH	6.5" High Dome - 11" x 22" base	\$34.00

## Greenhouse Benches

### Easy Stack Cedar Bench System Free Shipping

Made from natural cedar, these benches are beautifully constructed. Use as single benches or two tier. One bench is 12 1/2" tall and the other is 32" tall. Each bench gives you 24 1/2" x 48" of growing space.

Model #	Description	Price
BN-CEDAR	50" L x 26 1/4" W x 43" H	\$245

**Portable Steel Bench**  
The sturdy design of this portable steel bench will support up to 20 pounds per square foot but is still light enough to move. The wide design of the bench legs provide increased stability and corner protectors eliminate snagging.

Model #	Description	Price
BN-PORT-204	2' wide x 4' long x 32" high	\$152
BN-PORT-308	3' wide x 8' long x 32" high	\$234
BN-PORT-312	3' wide x 12' long x 32" high	\$346
BN-PORT-404	4' wide x 4' long x 32" high	\$186
BN-PORT-408	4' wide x 8' long x 32" high	\$265
BN-PORT-412	4' wide x 12' long x 32" high	\$391
BN-PORT-508	5' wide x 8' long x 32" high	\$299
BN-PORT-512	5' wide x 12' long x 32" high	\$445
BN-PORT-608	6' wide x 8' long x 32" high	\$332
BN-PORT-612	6' wide x 12' long x 32" high	\$489

**Deluxe Potting Bench**  
The high-gloss hardwood and scrolled-metal design of this 3-tiered table make it an appealing accessory inside or outside your greenhouse. Features a large, slatted work surface as well as handy storage areas above and below.

Model #	Description	Price
BN-PB-5000	42 1/2" L x 20 1/2" D x 41 1/2" H	\$110

**Aquila Red Cedar Potting Bench**  
This beautiful potting bench is made in British Columbia from Western Red Cedar, one of North America's great renewable resources. Includes integral plastic sink for easy disposal of cuttings plus top and bottom shelves for holding supplies.

Free Shipping

Model #	Description	Price
BN-2000	48" W x 22" D x 58" H - 37" Bench Top Height	\$290

**Dura-Bench Plastic Benchtop**  
This extremely durable UV protected plastic benchtop easily attaches to any wood or steel framed benches. Unlike metal bench tops, it has no sharp edges and is rust proof.

Model #	Description	Price
BN-DB	24" x 48" interlocking panel - 1.1" square holes	\$12.90

**Dura-Bench Ultra Benchtop**  
This polypropylene plastic bench top is engineered to replace wood, wire, and expanded metal on greenhouse benches. Designed with 1.1" x 2.1" rectangular holes for easy cleaning.

Model #	Description	Price
BN-DBU	2' x 4' panel - 1.1" x 1.2" rectangular holes	\$10
BN-DBU-CLI100	Clips to interlock panels - 100/box	\$8

**Two Wests Potting Bench**  
Custom built aluminum potting bench features a top tray for potting and a large storage hopper which will hold an ample supply of compost & pots close to hand.

Model #	Description	Price
BN-TW-PB	21" front to back x 24" wide x 36" high	\$135

**Two Wests Potting Bench Table**  
This invaluable little shelf is an accessory for our Two Wests Potting Bench and lets you keep everything close to hand as you work. Ideal for storing tools, rooting powder, small pots etc.

Model #	Description	Price
BN-TW-PBST	20" front to back x 12" wide x 36" high	\$55

**Two Wests Potting Bench Shelf**  
Designed to fit neatly by the side of your Potting Bench this aluminium Side Table will give plenty of extra space for working, storage or growing.

Model #	Description	Price
BN-TW-PBS	8" wide x 24" long x 2" deep	\$17

## Display Benches

### Single Level Display Bench

Made of heavy-duty plastic these benches are attractive, clean, and perfect for retail display areas or greenhouses. Each bench comes standard with 18" legs.

Model #	Description	Price
BM-SLD1636	16" W x 36" L x 18" H	\$33.60
BM-SLD1666	16" W x 66" L x 18" H	\$55
BM-SLD1696	16" W x 96" L x 18" H	\$68
BM-SLD2436	24" W x 36" L x 18" H	\$38
BM-SLD2466	24" W x 66" L x 18" H	\$61
BM-SLD2496	24" W x 96" L x 18" H	\$75
BM-SLD3666	36" W x 66" L x 18" H	\$101
BM-SLD3696	36" W x 96" L x 18" H	\$108

### 2-Shelf Corner Display

Take advantage of wall or perimeter space with this 2 shelf 36" high corner display unit. Easy to setup and take down.

Model #	Description	Price
BM-CN2	28" W x 66" L (left) 82" L (right) x 36" H	\$343

### Tri-Level Pyramid Display

Satisfies changing display needs while placing product within easy reach. Tiered arrangement is perfect for center aisles.

Model #	Description	Price
BM-TPD36	63" W x 36" L x 36" H / Top Shelf - 16" W	\$129
BM-TPD66	63" W x 66" L x 36" H / Top Shelf - 16" W	\$256
BM-TPD6681	81" W x 66" L x 36" H / Top Shelf - 36" W	\$289
BM-TPD96	63" W x 96" L x 36" H / Top Shelf - 16" W	\$276
BM-TPD9681	81" W x 96" L x 36" H / Top Shelf - 36" W	\$298

### 3-Shelf Wall Display

Satisfies changing display needs while placing product within easy reach. Tiered arrangement is perfect for center aisles.

Model #	Description	Price
BM-SD33636	39" W x 36" L x 36" H	\$158
BM-SD33666	39" W x 66" L x 36" H	\$258
BM-SD33696	39" W x 96" L x 36" H	\$314

## Composters

### Bio-Orb Composter

Free Shipping

This unique design of this "rolling" composter makes it easy and fun to create rich compost for your garden or greenhouse! Simply load your clippings into the Bio-Orb's unique spherical design and easily roll it away to a spot in your yard. A quick tumble every few days mixes and aerates the pile producing rich organic compost in weeks! The 36" diameter Bio-Orb can create up to 13.5 cubic feet of compost.

Model #	Description	Price
SO-COBO	36" diameter - Capacity 13.5 cubic ft	\$165

Free Shipping

### Earthmaker Composter

This ingenious unit features an efficient, gravity-fed composting system. Large, 16-1/2 cubic feet capacity.

Model #	Price
SO-COMP-EM	\$249

Free Shipping

### Euro Composter

Made from 100% recycled plastic this 90 gallon (12 cubic foot) composter will convert your vegetable, fruit and garden waste into rich compost.

Model #	Price
SO-COMP	\$109

Free Shipping

### Large Euro Composter

Made from 100% recycled plastic this 170 gallon (26 cubic foot) composter will convert your vegetable, fruit and garden waste into rich compost.

Model #	Price
SO-COMP-170	\$169

### Bio-Bin Composter

Free Shipping

This light weight, easy to move bin stores and composts organic materials. Features adjustable aeration holes for faster decomposition, durable 50 mil thick black plastic construction, and more.

Model #	Description	Price
SO-COMP-BB1	29"H x 116"L unrolled - Capacity 17.6 Cubic ft	\$59

## Compost Activator

### Bio-Pure Compost Activator

Stimulates the composting process with concentrated bacteria and enzymes. This accelerated method provides finished compost in the shortest time possible, as little as twenty-one days.

Model #	Description	Price
SO-CA	6 ounce bottle	\$39

## Humidifiers

### Aquafog TurboXE Fogger

Produces a true fog for humidification, evaporative cooling or chemical application in many different industries.

Model #	Description	Price
HU-XE-330	5 GPH, 1760 CFM	\$799
HU-XE-500	12 GPH, 2160 CFM	\$810
HU-XE-1000	20 GPH, 2730 CFM	\$820

### Aquafog SS700

Atomize ordinary water supplies into a very fine mist-like-fog and propel it up to 20 feet away.

Direct Feed model shown

Model #	Description	Price
HU-SS700-DF	Direct Feed	\$425
HU-SS700-BT	Bench Top	\$499
HU-SS700-HS	Hanging Sump	\$515

### Pre-Wired Humidistat

Ideal means of control for any electrically based misting system

Model #	Volt / Hz	Price
HU-CT36	110-250 / 50/60	\$82

## Greenhouse Pots

## Panterra Pots

These attractive "clay-look" textured pots are designed to complement the natural beauty of your plants. Can be used as a grower or florist pot or as a decorative cover for finished potted plants. Features dual drain bottom for optimum drainage and aeration.

Model #	Diameter	Height	Quantity	Price

CN-PAP-16-10	16 3/4" x 8 5/8" x 9 3/8"	10	\$19.25
CN-PAP-20	21" x 9 5/8" x 6"	50	\$81
CN-PAP-20-10	21" x 9 5/8" x 6"	10	\$23

### Centabella Square Planter

These beautifully designed square planters will add value to any plant material.

►► Attractive clay color

Model #	Diameter	Height	Quantity	Price
CN-CBS-0800	7 3/4"	6"	100	\$63
CN-CBS-0950	9 1/4"	7"	70	\$71.25

## Biodegradable Pots

### Jiffy Peat Pots

Made from outstanding raw materials, consisting of a minimum of 50% sphagnum peat, wood fibre and lime to adjust the pH. Gives superior root penetration and good drainage.

Model #	Type	Dimensions	Quantity	Price
CN-JP-122	Round	2 1/4 Dia. x 2 1/4 Deep	3000	\$118
CN-JP-130	Round	3" Dia. x 3" Deep	1500	\$86
CN-JP-222	Square	2 1/4 Dia x 2 1/4 Deep	2500	\$91
CN-JP-230	Square	3" Dia x 3" Deep	1000	\$91
CN-JP-340	Round	4" Dia x 4" Deep	1000	\$106

### Cow Pots

Cowpots transplanting pots are made from odor-free, 100% composted cow manure. Feature natural soil-conditioning fertilizers and can be planted directly into the soil.

Model #	Description	Quantity	Price
CN-COWP-3	3" Square Odor-free Cow Pots	10	\$9
CN-COWP-3	3" Square Odor-free Cow Pots	624	\$249
CN-COWP-4	4" Square Odor-free Cow Pots	10	\$9
CN-COWP-4	4" Square Odor-free Cow Pots	270	\$112

## Accessories

### Plastic Plant Labels

Our plain, white plastic plant labels are produced from high impact recycled styrene. Also, our Garden Marker pens will write on wood, plastic, metal, glass, porcelain and many other materials.

Model #	Description	Quantity	Price
CN-1000-BX-4	4" x 1/2" label	1000	\$17
CN-1000-SH	5" x 5/8" label	100	\$5
CN-1000-BX	5" x 5/8" label	1000	\$26
CN-1000-BX-6	6" x 5/8" label	1000	\$29
CN-1002-05	Garden Marker Pen	5	\$15

### Metal Garden Stakes

Our metal stakes are ideal for permanent labeling. Constructed from galvanized steel wire with zinc or copper writing surface, these stakes are rust and corrosion resistant.

Model #	Description	Qty	Price
CN-1001-05	5" L Zinc surface (1" x 2 1/2")	120	\$38
CN-1001-10C	10" L with copper surface (1" x 2 1/2")	120	\$55

## Hanging Containers

### Saucerless Hanging Baskets

- ▶ Generous soil volume and water reservoir results in larger, healthier plants for strong retail sales.
- ▶ Saucerless Design gives the finished look of a saucered hanging pot without the added expense
- ▶ Plastic and Wire Hanger Capability

Model #	Color	Dia.	Height	Qty	Price
CN-HBS-08	Green	8 3/4"	5 1/2"	50	\$36
CN-HBS-08-10	Green	8 3/4"	5 1/2"	10	\$12

### Centabella Hanging Pots

These attractive clay colored plastic hanging pots will increase the return on your investment or just look great hanging in your backyard.

- ▶ Soil volume helps grow big plants that make big impressions
- ▶ Plastic and Wire Hanger Capability

Model #	Diameter	Height	Quantity	Price
CN-CBH-1000	10 3/8"	6"	100	\$79
CN-CBH-1000-10	10 3/8"	6"	10	\$15.50
CN-CBH-1200	12 3/8"	8"	50	\$71
CN-CBH-1200-10	12 3/8"	8"	10	\$17.75

### Basket Hangers

For use with any of our hanging baskets. Available as wire or plastic in either 3 or 4 strand. The plastic hangers come in green or clay color.

Model #	Description	Qty	Price
CN-HANGER-315P	15" long - 3 Strand - Green	25	\$7
CN-HANGER-315PT	15" long - 3 Strand - Clay	25	\$7
CN-HANGER-422P	24" long - 4 Strand - Green	25	\$7
CN-HANGER-422PT	24" long - 4 Strand - Clay	25	\$7

### AI's Flower Pouch

Increase the value and presentation of your plants with this unique hanging pouch. Pre-cut slits save you the hassle of cutting holes while also ensuring that the flowers will be distributed evenly and consistently.

Model #	Description	Qty	Price
CN-AFP-5	5 Hole Pouch	1	\$0.80
CN-AFP-6	6 Hole Pouch	1	\$0.75
CN-AFP-10	10 Hole Pouch	1	\$0.85

## Flats, Trays, and Inserts

## Kord Square Pots and Carrying Trays

These green injection molded pots feature dual drainage bottoms along with an increase in soil volume over round pots to provide enhanced root development.

Model #	Description	Quantity	Price
CN-SQK-30	3" Square x 2.5" Depth	504	\$60
CN-SQK-30-10	3" Square x 2.5" Depth	10	\$4
CN-SQK-35	3.5" Square x 3" Depth	800	\$89
CN-SQK-35-10	3.5" Square x 3" Depth	10	\$4
CN-SQK-40	4" Square x 3.5" Depth	510	\$59
CN-SQK-40-10	4" Square x 3.5" Depth	10	\$4.50
CN-SQK-45	4.5" Square x 3.75" Depth	510	\$74
CN-SQK-45-10	4.5" Square x 3.75" Depth	10	\$5

Used in conjunction with Kord Square pots, these rigid, non-cracking, reusable, carrying trays offer convenience and durability.

Model #	Description	Qty	Price
CN-TRK-1835	Tray holds (18) 3.5" Square Pots	50	\$40.50

## Soil & Soil Amendments

### Soil Moist Granules

Soil Moist has been developed to reduce the amount of water needed to maintain vigorous plants. When mixed in the soil and water added, these amazing crystals will soften and absorb up to 200 times their weight in water!

- ▶▶ Reduces plant waterings
- ▶▶ Maintains vigorous plants
- ▶▶ Encourages deep root penetration
- ▶▶ Minimizes transplant shock
- ▶▶ Lasts several seasons
- ▶▶ Cost effective

Model #	Description	Price
SO-MOIST-1	1lb. Jar	\$11.50
SO-MOIST-3	3lb. Tub	\$29.50
SO-MOIST-3B	3 Oz. Bag	\$3.50
SO-MOIST-8	8 lb. Tub	\$72
SO-MOIST-30	30 lb. Drum	\$250
SO-MOIST-50	50 lb. Drum	\$350

### Soil Moist Spikes

Soil Moist Spikes will soften and swell as water is absorbed to be released as needed in your soil. Each spike will store over 40 times its weight in water and can reduce waterings by as much as 50%! 18 spikes per package.

- ▶▶ Feeds continuously for 3-4 months
- ▶▶ Lasts several seasons

Model #	Price
SO-MOSP	\$2.85

### Wonder Soil Wafers

Wonder Soil instant potting mix is an advanced potting medium compressed into a small 2-3/8" diameter wafer. When mixed with water this small wafer expands to an amazing 15 times its volume creating enough rich potting soil to fill (1) 4" pot.

Model #	Qty	Price
SO-WS-10	10	\$5
SO-WS-50	50	\$23
SO-WS-100	100	\$40

### Wonder Soil Bricks

Wonder Soil instant potting mix is an advanced soil-less medium compressed into an easy to handle 8" x 4" x 2-1/2" brick. When mixed with water this brick expands to an amazing 8 times its volume creating 8 pounds of rich potting soil.

Model #	Price
SO-WSB	\$5

### Dyna-Rok II

An all purpose, inert, soil less growing medium comprised of 90% silica. Offers high water absorbance (>150 %) making it a perfect solution for very hot/dry climates.

Model #	Description	Price
SO-DROKF40	1.4 CF, Fine Grade	\$27
SO-DROKF09	9.1 Qt., Fine Grade	\$13
SO-DROKM40	1.4 CF, Medium Grade	\$27
SO-DROKM09	9.1 Qt., Medium Grade	\$13

### Pro-Mix BX, 3.8 CF Compressed Bale

Pro-Mix BX is a general purpose peat-based growing medium with vermiculite and perlite, used for the cultivation of a wide variety of plant species.

Model #	Price
SO-PMBX	\$24

### Ultimate Container Mix, 1 Cubic Foot

Ultimate Container Mix is specially formulated for plants grown in hanging baskets, greenhouses and outdoor planters. Ideal under hot, sunny conditions.

Model #	Price
SO-PM-UCM	\$18

### Ultimate Organic Mix, 1 Cubic Foot

Formulated with quality "approved-organic" ingredients for growers who prefer a chemical-free potting mix. Its natural growth enhancer promotes better growth and increases yield.

Model #	Price
SO-PM-UOM	\$17.25

### Ultimate Seeding Mix, 16 Qt.

The ultimate peat-based growing mix for germinating seeds. Formulated with quality horticultural ingredients for growing a wide range of plant species.

Model #	Price
SO-PM-USM	\$12.75

### Coarse Perlite, 4 CF

This sterile, white propagating medium is used to keep soil loose thereby allowing air and water to reach plant's roots. Perfect amendment for propagation and more.

Model #	Price
SO-PER	\$15

### Vermiculite - 4 Cubic Foot Bag

Horticultural grade Vermiculite has become a mainstay as a component of soil less growing mediums, as a soil amendment and in many other horticultural uses.

Model #	Price
SO-VER	\$20

### Dyna-Gro Pro-Tekt 0-0-3

Used to promote enhanced flowering both in color and size of bloom. Contains not only major and minor elements but also Calcium and Magnesium.

Model #	Size	Price
FE-DGPT	Quart	\$10.50

## Liquid Fertilizer

### Jack's Orchid Bloom Booster 3-9-6

Used to promote enhanced flowering both in color and size of bloom. Contains not only major and minor elements but also Calcium and Magnesium.

Model #	Size	Price
FE-JC-0309	8 oz	\$7.20

### Dyna-Gro Orchid Pro 7-8-6

Used to promote enhanced flowering both in color and size of bloom. Contains not only major and minor elements but also Calcium and Magnesium.

Model #	Size	Price
FE-DGOP	Pint	\$5.50

### Dyna-Gro Liquid Bloom 3-12-6

Used to promote enhanced flowering both in color and size of bloom. Contains not only major and minor elements but also Calcium and Magnesium.

Model #	Size	Price
FE-DGLB	Pint	\$7.80

### Dyna-Gro All Pro 7-7-7

Used to promote enhanced flowering both in color and size of bloom. Contains not only major and minor elements but also Calcium and Magnesium.

Model #	Size	Price
FE-DGAP	Gallon	\$38

### Dyna-Gro Foliage Pro 9-3-6

Used to promote enhanced flowering both in color and size of bloom. Contains not only major and minor elements but also Calcium and Magnesium.

Model #	Size	Price
FE-DGFP	Quart	\$12.50

## Controlled Release Fertilizers

### Soil Moist 10-10-10 Disks

In adding to absorbing and storing water, these amazing disks incorporate an 8-9 month controlled release 10-10-10 fertilizer for healthy plants - even in dry conditions. Ideal for landscape and nursery applications. 8 disks per package.

- ▶▶ Feeds continuously for 8-9 months
- ▶▶ Lasts several seasons

Model #	Price
SO-MOSD	\$9.50

### Osmocote 15-9-12 Fertilizer, 50 pound

Controlled-release fertilizer provides all the nutrition plants need in a single application while two sources of iron provide excellent greening.

Model #	Release	Price
FE-OS15-34	3-4 Month	\$105
FE-OS15-89	8-9 Month	\$93

### Osmocote 18-6-12, 50 pound

The 8-9 month formulation and 3:1:2 ratio of this industry standard makes it perfect for longer term greenhouse and container stock or year round feeding.

Model #	Price
FE-OS-1806	\$102

### Osmocote 14-14-14 Fertilizer

Controlled release technology provides balanced nutrition throughout the growing cycle. Osmocote 14-14-14 offers the ideal ratio for bedding plants, foliage and pot plant crops.

Model #	Description	Price
FE-OS14-3	3 lb box	\$10.75
FE-OS14-10	10 lb bag	\$21.50
FE-OS14-50	50 lb bag	\$96

### Osmocote Pro 19-5-8, 50 pound

This blend features a 8-9 month release, three sources of Nitrogen encapsulated within a polymeric shell. Designed for full season feeding of foliage and nursery stock.

Model #	Price
FE-OS-1905	\$84

## Water Soluble Fertilizers

### Jack's Fertilizer, 20-20-20

An industry standard, 20-20-20 is a general purpose fertilizer that is great for maintaining plants in almost any environment.

Model #	Size	Price
FE-JP-2020-4	4 lb	\$14.50
FE-JP-2020-25	25 lb	\$34

### Jack's Fertilizer, 20-10-20

Has the traditional micronutrient levels needed for general production including propagation and all types of bedding plants.

Model #	Size	Price
FE-JP-2010	25 lb	\$30

### Jack's Fertilizer, 20-10-20 Peat Lite

Has approximately twice the level of micronutrients as a general purpose formulation providing necessary elements absent from most commercially made potting media.

Model #	Size	Price
FE-JP-2010P	25 lb	\$31

### Jack's Fertilizer, 15-16-17 Peat Lite

Similar to 20-20-20 but with over 60% nitrate nitrogen, boosted micronutrient levels and much less acidic reaction in the root media.

Model #	Size	Price
FE-JP-1516	25 lb	\$32

### Jack's Orchid Special, 30-10-10

This formula emphasizes the vegetative growth stage (leaves) and will assure that the plants requirements will be satisfied as the new leaves develop and mature.

Model #	Size	Price
FE-JC-3010	4 lb	\$7.20

### Jack's Fertilizer, 10-30-20

Use this high phosphorus formulation during periods of bud set to increase number and size of blossoms. Great for vegetable production!

Model #	Size	Price
FE-JP-1030-4	4 lb	\$14.50
FE-JP-1030-25	25 lb	\$39

### Jack's Fertilizer, 9-45-15 Plant Starter

Initial use of 9-45-15 when transplanting into cells or beds supplies the high-phosphorus ratio designed to boost root growth prior to shoots.

Model #	Size	Price
FE-JP-0945	25 lb	\$39

## Fungicides

### Banrot 40WP

Provides contact and systemic action for control of damping-off and root and stem-rot diseases. Can be used in both ornamental and nursery crops.

Model #	Size	Price
CH-FG-BANR	2 lb	\$85

### Daconil Ultrex Fungicide

Highly effective for controlling botrytis, blackspot, powdery mildew, and more in golf course turf, ornamental lawns and ornamental plants.

Model #	Size	Price
CH-FG-DAC	5 lb	\$76.50

### Banner Maxx

Provides effective broad-spectrum disease control in turf and ornamentals. Only has to be sprayed every 14 days. Controls powdery mildew and blackspot.

Model #	Size	Price
CH-FG-BANM	Pint	\$78

### Subdue Maxx

Used on ornamentals. Controls damping-off and root and stem rots caused by pythium and phytophthora. Microemulsion concentrate for easy mixing and less equipment wear.

Model #	Size	Price
CH-FG-SUB	Quart	\$278

### Heritage 50% DF

Controls broad spectrum of turfgrass diseases, including brown patch, Pythium and snow mold. Improves overall turf quality.

Model #	Size	Price
CH-FG-HER	4 Ounce	\$181

### Olympic 6672 Fungicide

Broad-spectrum fungicide used for prevention and control of ornamental diseases of annual and perennial flowers, ground covers, and more.

Model #	Size	Price
CH-FG-OL66	Quart	\$59.50

### Triple-Action Plus

Contains neem oil and kills almost any kind of insect while being effective on fungus as well. For use on fruits, nuts, vegetables, and more.

Model #	Size	Price
CH-FLI-295	Pint	\$18

### Gnatrol Insecticide

Highly selective, biological insecticide for the control of fungus gnat larvae in potting media high in peat moss content

Model #	Size	Price
CH-IN-GNAT	2.5 Gal.	\$94

## Insecticides

### Pure Neem Oil

An important part of integrated pest management strategy and affects over 400 varieties of insects. This foliar spray is 100% pure neem oil from the neem tree.

Model #	Size	Price
FE-DG-NEEM-8	8 Ounce	\$9
FE-DG-NEEM-Q	1 Quart	\$22.50
FE-DG-NEEM-1G	1 Gallon	\$73
FE-DG-NEEM-5G	5 Gallon	\$249

### Marathon 1% Granular

Provides highly systemic control of insects. May be applied to bedding plants, mums, poinsettias, roses and many more crops.

Model #	Size	Price
CH-IN-MAR	5 lb	\$120

### Avid Insecticide

Features a unique chemistry which provides a different mode of action to control mites and certain insects. Kills insects by contact and ingestion.

Model #	Size	Price
CH-IN-AVID-8	8 Ounce	\$115
CH-IN-AVID-Q	1 Quart	\$357

### Merit 75% WP

Broad-spectrum systematic wettable powder concentrate for foliar and systemic insect control in turfgrass, ornamentals, and interiorscapes.

Model #	Size	Price
CH-IN-MERIT	2 Ounce	\$90

### PyGanic 1.4 EC

Provides rapid knockdown and kill of damaging plant pests. For use in organic production. Approved for use on over 200 fruits and vegetables.

Model #	Size	Price
CH-IN-PYG	Quart	\$53

### Dormant Oil

99% unsulfonated oil. Kills over-wintering insects and insect eggs. Also kills existing scale.

Model #	Size	Price
CH-FLI-160	Pint	\$7.50

### Conserve SC Insecticide

Controls thrips while retaining high numbers of beneficial insects. Works great for control of bud worms, bag worms, fall webworms, and more.

Model #	Size	Price
CH-IN-CONS	Quart	\$137

### Carbaryl Garden Spray

For use on ornamentals, lawns, fruit trees, shade trees, vegetables and citrus trees to control Japanese beetles, aphids, cicada, and many others.

Model #	Size	Price
CH-FLI-280	Pint	\$12

### Rose, Flower & Veg Spray

Controls aphids, spider mites, whiteflies, and other insect pests. Also controls black spot, powdery mildew, downy mildew, botrytis, plus others.

Model #	Size	Price
CH-FLI-265	Pint	\$16.50

## Growth Regulators

### A-Rest Plant Growth Regulator

Helps produce plants that are more compact, uniform in height, darker in color, more able to withstand shipping and require less water.

Model #	Size	Price
CH-1000	Quart	\$79

### Bonzi Plant Growth Retardant

Produces plants with shorter internodes, more branching, improved root development and deeper color.

Model #	Size	Price
CH-1001	Quart	\$175

### B-Nine WSG

Can be sprayed on ornamental plants grown in areas not under cover. Plants will develop shorter, more compact growth habit

Model #	Size	Price
CH-PG-BNINE	1 lb	\$116

### Sumagic

Produce plants with denser, more consistent compact growth with increased plant shelf life.

Model #	Size	Price
CH-PG-SUMA	Quart	\$127

## Rooting Hormones

### Rhizopon AA Tablets (20% IBA)

Use this high phosphorus formulation during periods of bud set to increase number and size of blossoms. Great for vegetable production!

Model #	Tablets	Price
CH-RPT-20	20	\$9.50
CH-RPT-200	200	\$79
CH-RPT-2500	2500	\$595

### Fertilome Root Stimulator 4-10-3

Helps you establish your plantings, letting you enjoy healthy growth for many years.

Model #	Size	Price
CH-FLRS-1Q	1 Quart	\$8
CH-FLRS-1G	1 Gallon	\$20

### Hormodin 1

General purpose powder designed for the home gardener or commercial grower who propagates plants such as roses, carnations, poinsettias, some shrubs, and more.

Model #	Size	Price
CH-RH-HOR1	1 lb	\$23.50

### Hormodin 2

Prepared specially for propagating many woody and semi-woody plants, including some of the evergreens.

Model #	Size	Price
CH-RH-HOR2	1 lb	\$25.50

### Hormodin 3

Prepared specially for propagating the more difficult to root varieties, including many of the evergreens and dormant leafless cuttings.

Model #	Size	Price
CH-RH-HOR3	8 Oz	\$25

### Dip-N-Grow Rooting Hormone

Most effective rooting hormones available. This liquid concentrate is easily diluted with water to obtain the necessary strength.

Model #	Size	Price
CH-1002	Pint	\$37

### Root & Grow Plant Starter

Stimulates early and strong root formation. Reduces transplant shock while promoting greener, more vigorous plants.

Model #	Size	Price
CH-1005	40 Ounces	\$7

## Seeders

### Deluxe Mini Wand Seeder

Our Deluxe version of the Mini Wand Seeder features a handy squeeze trigger for quicker and more efficient seeding. Simple to operate with no batteries or electrical power required! Perfect for hobbyists or small growers.

Model #	Description	Price
SE-MWS2-H	Hand Operation	\$60
SE-MWS2-HF	Hand/Foot Operation	\$60
